AN EVENT FOR THE INTERMEDIATE ADVENTURER

21st - 30th April 2022

This Event Overview and the Terms & Conditions of sale should be read in conjunction with HERO-ERA Standard Regulations and the Event Additional Supplementary Regulations (ASR's). Combined, they form the contract between the entrant & the company.

The London to Lisboa returns in 2022, offering competitors the truly international experience of rallying through five Countries within Western Europe. The event will run over ten days allowing a couple of shorter days to give crews the option of a rest or savouring the local sites as we venture south. The provisional route (below) starts at an historic venue, Brooklands. Competitors will be flagged away close to the old banking and runways where many a pioneer set records on track and in the air. Cars will leave on Thursday morning after the morning rush hour in search of their own glory and adventure, aiming to finish in Lisboa on Saturday 30th May. This will allow crews a leisurely flight back due to the UK bank holiday Monday.

An enthralling 10 day event awaits over some 2000 miles (3500kms) with a blend of regularities and tests wherever possible. This 2022 event will take a different route from previous rallies, heading through central France, it will add the spice of another country by exploring the delights of Andorra and it's breath-taking passes that cross the Pyrenees into northern Spain. Three days adventuring Northern Spain via the Picos de Europa will guide crews into Portugal and onto the finish in Lisboa.

Scrutineering, documentation and pre-event training will take place during the afternoon giving crews a free evening to relax and take command of their thoughts before the adventure begins.

APR 21 2022 - Day One - Brooklands to Portsmouth

Two tests follow the 10am start at Brooklands Museum before the event heads south to Portsmouth Ferry port, via a couple of Regularities and a Tea Halt, before boarding Brittany Ferries overnight sailing to the picturesque French port of St Malo.

APR 22 2022 - Day Two - St Malo to Poitiers

A short liaison section after disembarking the ferry will lead crews to the official restart in France and will give crews the chance to acclimatise to driving abroad. The morning will guide crews south east on this edition of London to Lisbon, in time for a lunch halt at one of the most infamous race tracks of the world, Le Mans. The afternoon route will be pleasant for crews as they meander through the Loire Countryside before arriving at Poitiers for a well-earned rest.

APR 23 2022 - Day Three - Poitiers to Montauban

Today the route continues to wind its way through central France, through the farmlands of the Charente region before delving into the Dordogne region and returning to possibly the most highly acclaimed lunch halt from previous editions of the event for a slightly extended lunch for crews to truly savour the experience. The afternoon will continue through the Dordogne to the wonderfully relaxing 17th-century Abbaye du Capucins.

APR 24 2022 - Day Four - Montauban to Andorra

A shorter day today but still lots to look forward to as the event enters the Pyrenees and heads into Andorra. Preliminary route discussions have indicated an early finish at the top of a mountain giving crews time to enjoy the surroundings or head the short distance down into the capital of Andorra to enjoy time in the shops, bars and restaurants.

APR 25 2022 - Day Five - Andorra to Pamplona Spain

Day five is planned as a longer route but another enjoyable day in the Pyrenees as the event reaches its fourth country, winding its way out of Andorra and into Spain where the route will enjoy some fabulous roads winding along the Ara River and twisting into the Sierra y los Canones de Guara National Park before spending the evening in the capital of the Navarre Province.

APR 26 2022 - Day Six - Pamplona to Puente Viesgo

ENVIRONMENTALLY RESPONSIBLE DRIVING

The route takes the cars out of the Pyrenees and through two of the beautiful national parks today before an exciting visit to a venue last used on the original London - Lisbon back in 2000. A challenging afternoon in the hills of the Cantabria region before arriving at the gorgeous Gran Hotel Balneario de Puente Viesgo to end the day.

APR 27 2022 - Day Seven - Puente Viesgo to Leon

A shorter day today travelling through the stunning national parks of Picos de Europa before arriving and relaxing with a cool drink in the Convent of San Marcos. An early finish to competition and a free meal night will allow crews to venture around the wonderful City.

APR 28 2022 - Day Eight - Leon to Vidago Palace, Portugal

A new day of adventure but with less competition will see the event travel into Portugal where crews will be welcomed to their fifth country with the roads of the Montesinho National Park. Another slightly early finish will give crews plenty of time to enjoy the sophistication and grandeur that is offered upon arriving at the Vidago Palace.

APR 29 2022 - Day Nine - Vidago to Coimbra

A slightly later start from the Palace, crews will navigate down through some of Portugal's lesser chartered territory before arriving for their penultimate overnight halt.

APR 30 2022 - Day Ten - Coimbra to Lisbon

A much shorter day as the rally descends upon the Portuguese Capital, but not before a spectacular final morning of regularities and tests. Crews will arrive into Lisbon with plenty of time to soak up some well-earned Estoril sunshine and a cool drink before enjoying the awards presentation in the grand surroundings of the Palacio Estoril Golf & Spa Hotel.

**Delivery**

30. We will deliver the Services, including any Goods, to the Delivery Location by the time or within the agreed period or, failing any agreement:
 - a. in the case of Services, within a reasonable time; and
 - b. in the case of Goods, without undue delay and, in any event, not more than 30 days after the day on which the Contract is entered into.
31. In any case, regardless of events beyond our control, if we do not deliver the Services on time, you can require us to reduce the Fees or charges by an appropriate amount (including the right to receive a refund for anything already paid above the reduced amount). The amount of the reduction can, where appropriate, be up to the full amount of the Fees or charges.
32. In any case, regardless of events beyond our control, if we do not deliver the Goods on time, you can (in addition to any other remedies) treat the Contract at an end if:
 - b. we have refused to deliver the Goods, or if delivery on time is essential taking into account all the relevant circumstances at the time the Contract was made, or you said to us before the Contract was made that delivery on time was essential; or
 - c. after we have failed to deliver on time, you have specified a later period which is appropriate to the circumstances and we have not delivered within that period.
33. If you treat the Contract at an end, we will (in addition to other remedies) promptly return all payments made under the Contract.
34. If you were entitled to treat the Contract at an end, but do not do so, you are not prevented from cancelling the Order for any Goods or rejecting Goods that have been delivered and, if you do this, we will (in addition to other remedies) without delay return all payments made under the Contract for any such cancelled or rejected Goods. If the Goods have been delivered, you must return them to us or allow us to collect them from you and we will pay the costs of this.
35. If any Goods form a commercial unit (a unit is a commercial unit if division of the unit would materially impair the value of the goods or the character of the unit) you cannot cancel or reject the Order for some of those Goods without also cancelling or rejecting the Order for the rest of them.
36. We do not generally deliver to addresses outside England and Wales, Scotland, Northern Ireland, the Isle of Man and Channels Islands. If, however, we accept an Order for delivery outside that area, you may need to pay import duties or other taxes, as we will not pay them.
37. You agree we may deliver the Goods in instalments if we suffer a shortage of stock or other genuine and fair reason, subject to the above provisions and provided you are not liable for extra charges.
38. If you or your nominee fail, through no fault of ours, to take delivery of the Services at the Delivery Location, we may charge the reasonable costs of storing and redelivering them.
39. The Goods will become your responsibility from the completion of delivery or Customer collection. You must, if reasonably practicable, examine the Goods before accepting them.

Risk and Title

40. Risk of damage to, or loss of, any Goods will pass to you when the Goods are delivered to you.
41. You do not own the Goods until we have received payment in full. If full payment is overdue or a step occurs towards your bankruptcy, we can choose, by notice to cancel any delivery and end any right to use the Goods still owned by you, in which case you must return them or allow us to collect them.

Withdrawal and cancellation

42. You can withdraw the Order by telling us before the Contract is made, if you simply wish to change your mind and without giving us a reason, and without incurring any liability.
43. This is a distance contract (as defined below) which has the cancellation rights (Cancellation Rights) set out below. These Cancellation Rights, however, do not apply, to a contract for the following goods and services (with no others) in the following circumstances:
 - a. accommodation, transport of goods, vehicle rental services, catering or services related to leisure activities, if the contract provides for a specific date or period of performance;
 - b. goods that are made to your specifications or are clearly personalised;
 - c. goods which are liable to deteriorate or expire rapidly.

Right to cancel

44. Subject as stated in these Terms and Conditions, you can cancel this contract within 14 days without giving any reason.
45. The cancellation period will expire after 14 days from the day on which you acquire, or a third party, other than the carrier, indicated by you, acquires physical possession of the last of the Goods. In a contract for the supply of services only (without goods), the cancellation period will expire 14 days from the day the Contract was entered into. In a contract for the supply of goods over time (ie subscriptions), the right to cancel will be 14 days after the first delivery.
46. To exercise the right to cancel, you must inform us of your decision to cancel this Contract by a clear statement setting out your decision (eg a letter sent by post or email). You can use the attached model cancellation form, but it is not obligatory. In any event, you must be able to show clear evidence of when the cancellation was made, so you may decide to use the model cancellation form.
47. You can also electronically fill in and submit the model cancellation form or any other clear statement of the Customer's decision to cancel the Contract on our website hero-era.com . If you use this option, we will communicate to you an acknowledgement of receipt of such a cancellation in a Durable Medium (eg by email) without delay.
48. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.
49. Commencement of Services in the cancellation period
50. We must not begin the supply of a service (being part of the Services) before the end of the cancellation period unless you have made an express request for the service.
51. Effects of cancellation in the cancellation period
52. Except as set out below, if you cancel this Contract, we will reimburse to you all payments received from you, including the costs of delivery (except for the supplementary costs arising if you chose a type of delivery other than the least expensive type of standard delivery offered by us).

Payment for Services commenced during the cancellation period

53. Where a service is supplied (being part of the Service) before the end of the cancellation period in response to your express request to do so, you must pay an amount for the supply of the service for the period for which it is supplied, ending with the time when we are informed of your decision to cancel the Contract. This amount is in proportion to what has been supplied in comparison with the full coverage of the Contract. This amount is to be calculated on the basis of the total price agreed in the Contract or, if the total price were to be excessive, on the basis of the market value of the service that has been supplied, calculated by comparing prices for equivalent services supplied by other traders. You will bear no cost for supply of that service, in full or in part, in this cancellation period if that service is not supplied in response to such a request.

**Deduction for Goods supplied**

54. We may make a deduction from the reimbursement for loss in value of any Goods supplied, if the loss is the result of unnecessary handling by you (ie handling the Goods beyond what is necessary to establish the nature, characteristics and functioning of the Goods: eg it goes beyond the sort of handling that might be reasonably allowed in a shop). This is because you are liable for that loss and, if that deduction is not made, you must pay us the amount of that loss.

Timing of reimbursement

55. If we have not offered to collect the Goods, we will make the reimbursement without undue delay, and not later than:
- 14 days after the day we receive back from you any Goods supplied, or
 - (if earlier) 14 days after the day you provide evidence that you have sent back the Goods.
56. If we have offered to collect the Goods or if no Goods were supplied or to be supplied (ie it is a contract for the supply of services only), we will make the reimbursement without undue delay, and not later than 14 days after the day on which we are informed about your decision to cancel this Contract.
57. We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of the reimbursement.

Returning Goods

58. If you have received Goods in connection with the Contract which you have cancelled, you must send back the Goods or hand them over to us at 138 Southern Avenue, Command Works, Bicester Herita, Oxfordshire, OX27 8FY without delay and in any event not later than 14 days from the day on which you communicate to us your cancellation of this Contract. The deadline is met if you send back the Goods before the period of 14 days has expired. You agree that you will have to bear the cost of returning the Goods.
59. For the purposes of these Cancellation Rights, these words have the following meanings:
- distance contract means a contract concluded between a trader and a consumer under an organised distance sales or service-provision scheme without the simultaneous physical presence of the trader and the consumer, with the exclusive use of one or more means of distance communication up to and including the time at which the contract is concluded;
 - sales contract means a contract under which a trader transfers or agrees to transfer the ownership of goods to a consumer and the consumer pays or agrees to pay the price, including any contract that has both goods and services as its object.

Conformity

60. We have a legal duty to supply the Goods in conformity with the Contract, and will not have conformed if it does not meet the following obligation.
61. Upon delivery, the Goods will:
- be of satisfactory quality;
 - be reasonably fit for any particular purpose for which you buy the Goods which, before the Contract is made, you made known to us (unless you do not actually rely, or it is unreasonable for you to rely, on our skill and judgment) and be fit for any purpose held out by us or set out in the Contract; and
 - conform to their description.
62. It is not a failure to conform if the failure has its origin in your materials.
63. We will supply the Services with reasonable skill and care.
64. In relation to the Services, anything we say or write to you, or anything someone else says or writes to you on our behalf, about us or about the Services, is a term of the Contract (which we must comply with) if you take it into account when deciding to enter this Contract, or when making any decision about the Services after entering into this Contract. Anything you take into account is subject to anything that qualified it and was said or written to you by us or on behalf of us on the same occasion, and any change to it that has been expressly agreed between us (before entering this Contract or later).

Duration, termination and suspension

65. The Contract continues as long as it takes us to perform the Services.
66. Either you or we may terminate the Contract or suspend the Services at any time by a written notice of termination or suspension to the other if that other:
- commits a serious breach, or series of breaches resulting in a serious breach, of the Contract and the breach either cannot be fixed or is not fixed within 30 days of the written notice; or
 - is subject to any step towards its bankruptcy or liquidation.
67. On termination of the Contract for any reason, any of our respective remaining rights and liabilities will not be affected.

Successors and our sub-contractors

68. Either party can transfer the benefit of this Contract to someone else, and will remain liable to the other for its obligations under the Contract. The Supplier will be liable for the acts of any sub-contractors who it chooses to help perform its duties.

Circumstances beyond the control of either party

69. In the event of any failure by a party because of something beyond its reasonable control:
- the party will advise the other party as soon as reasonably practicable; and
 - the party's obligations will be suspended so far as is reasonable, provided that that party will act reasonably, and the party will not be liable for any failure which it could not reasonably avoid, but this will not affect the Customer's above rights relating to delivery (and the right to cancel below).

Privacy

70. Your privacy is critical to us. We respect your privacy and comply with the General Data Protection Regulation with regard to your personal information.
71. These Terms and Conditions should be read alongside, and are in addition to our policies, including our privacy policy (<https://www.herostore.eu/privacy.html>) and cookies policy (<https://www.herostore.eu/privacy.html>).

 - 'GDPR' means the UK General Data Protection Regulation.
 - 'Data Controller', 'Personal Data' and 'Processing' shall have the same meaning as in the GDPR.
72. We are a Data Controller of the Personal Data we Process in providing the Services and Goods to you.
73. Where you supply Personal Data to us so we can provide Services and Goods to you, and we Process that Personal Data in the course of providing the Services and Goods to you, we will comply with our obligations imposed by the Data Protection Laws:

Subject to this, we are not liable for (i) loss which was not reasonably foreseeable to both parties at the time when the Contract was made, or (ii) loss (eg loss of profit) to your business, trade, craft or profession which would not be suffered by a Consumer - because we believe you are not buying the Services and Goods wholly or mainly for your business, trade, craft or profession.
